Application No.:	09/930,654	Examiner:	Popham, Jeffrey D.

Title:	METHOD AND DEVICE FOR CONTROLLING DISTRIBUTION AND USE OF DIGITAL WORKS		

STATEMENT FOR PLACEMENT IN OFFICIAL FILE
REGARDING STATUS OF APPLICATION

Mail Stop Amendment
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants submit this paper for placement in the official file to clarify the status of the subject application.

On October 17, 2005, an Office Action was mailed that finally rejected all pending claims of the application.

On February 13, 2006, a response to the Office Action was filed, along with a Petition for Extension of Time (Petition). The Petition purported to extend the time for responding to the Office Action for two months, and authorized a charge of \$450 to Deposit Account No. 14-1270. The Petition indicated that the two-month extension would extend the period for response up to and including February 17, 2005 (of course, this should have been 2006). Applicants note that a two-month extension of time would actually extend the period for response up to and including March 17, 2006.

On March 10, 2006, i.e., within the two-month extended period for response to the Office Action, a Notice of Appeal was filed. According to the United States Patent and Trademark Office's Patent Application Information Retrieval (PAIR) system, the Notice of Appeal has been entered.

Applicants' below-signed representative contacted Supervisory Patent Examiner Emmanuel Moise regarding the above timeline, and particularly to make certain that the Petition was granted to extend the time limit for two months, i.e., to March 17, 2006, thereby providing a proper extension of time for the Notice of Appeal. SPE Moise indicated that \$450 was deducted from Deposit Account No. 14-1270 in response to the Petition, that the Notice of Appeal has been entered, and that the next due date in this application appears to be May 10, 2006, on which date a Notice of Appeal should be filed.

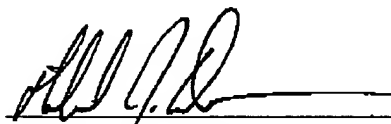

For the foregoing reasons, and as indicated by SPE Moise, no further fees are believed due in this application. Nevertheless, should any fee associated with an extension of time be necessary, such fee should be charged to Deposit Account No. 03-3875.

Moreover, the original patent application transmittal, filed on August 15, 2001, authorized the commissioner to "charge any other fees which may be required, except the issue fee." Pursuant to 37 C.F.R. § 1.136(a)(3), such authorization serves as a constructive petition for extension of time for filing the Notice of Appeal, in the event the Petition filed on February 13, 2006, is not treated as extending the deadline two months.

If necessary, Applicants' below-signed representative may be reached by telephone at (585) 232-6500.

Respectfully submitted,

Dated: April 17, 2006
